Ride Information

Please plan on spending approximately two (2) hours from your arrival time. You will be receiving sedation for your procedure; therefore you must have someone responsible take you home and be available for your needs throughout the day. Do not plan on taking a taxi or bus home. These drivers cannot be responsible for you.

Please fill in the following information and bring this completed form with you upon check in.

My ride will be waiting in the waiting room throughout the procedure and will not be leaving without me. Their name_____. Relationship_____.

My ride will return at_____ time. Name/Relationship_____
Cell phone/pager #_____.

My ride will need to be called when the procedure has been completed.
Their name_____. Relationship_____.
Cell Phone/pager #_____.

If your ride does plan to leave the facility, we will need to be able to contact them in case of emergency. Your ride must be able to pick you up at the completion of your procedure.

You will be receiving sedation for your procedure; therefore, your memory will be impaired. We will be reviewing your procedure results and discharge instructions with your ride. Please check the box below that applies to you.

Please review my results and instructions with my ride home.
Name_____ Relationship_____

Please do not disclose any information to my ride home.

If this is the case, your ride will still be responsible for your ride home and will have to sign our discharge instructions to that effect. A copy of those instructions will be given to you, please review them when you are recovered. A post procedure phone call will be made the following work day should you have any questions.

Thank you,
